FORLLE'D FACIALS

Anti-ageing Treatment (60 min)	£195
---------------------------------------	------

This treatment corrects signs of skin sagging and helps to achieve a more defined face contour. A course of treatments slows down ageing signs appearance, improves skin elasticity and firmness, providing deep hydration and intensifying synthesis of collagen and elastin. Even after one treatment the anti-ageing effect is visible, thus the procedure can be used as a preparation for special occasion.

Platinum Treatment (60 min)	£195
------------------------------------	------

Platinum-based treatment provides antioxidant effect and prevents the photoageing of the skin. It controls the mechanism of pigmentation formation, exhibits detoxication and anti-inflammatory abilities of the skin, eliminates the signs of oxidative stress.

Nourishing Treatment for Sensitive Skin (60 min)	£155
---	------

This nourishing and soothing facial is specifically designed for sensitive skin, dry skin and skin with fragile blood vessels. Vitamins K and E from plant origins help calm sensitive and rosacea prone skin types, reducing the redness and sensitivity.

Oxygenating Treatment for Tired Skin (60 min)	£175
--	------

This powerful treatment protects the skin from stress and boosts cellular function, improves skin's natural defences and detoxifying process. It oxygenates the skin, improving microcirculation, providing immediate anti-inflammatory and brightening effect.
