Lumecca Peak is designed to target pigmentation, rejuvenate the skin, and reduce vascular concerns. Using advanced light technology, it effectively breaks down unwanted pigmentation, clears vascular lesions, and boosts collagen for a smoother, more even complexion.

— **Pigmentation Correction** –
Reduces sunspots, age spots, and uneven skin tone.

— **Skin Rejuvenation** –
Stimulates collagen, improving texture and radiance.

— **Vascular Treatment** –
Minimises redness, rosacea, and visible veins.

With minimal discomfort and downtime, it delivers visible results, making it an ideal choice for clearer, healthier skin.
